

Usman Tariq

EDUCATION

BS Software Engineering — COMSATS University, Islamabad

2019 – 2023

- Coursework included Web Development, OOP, and Database Management

SKILLS

Python, SQL, HTML, CSS, JavaScript, Git, some Django experience

EXPERIENCE

Web Developer Intern — Nextbridge, Islamabad

June 2022 – August 2022

- Worked on the frontend of a web application using HTML and CSS.
- Fixed bugs in the existing codebase and helped with testing.
- Attended daily standups and helped document some features.
- Learned about the development process and team collaboration.

PROJECTS

Library Management System — Python, MySQL

- Built a library system using Python and MySQL with features to add, remove, and search books.
- Used a command-line interface for interaction. Connected to MySQL using mysql-connector-python.

Weather Web App — HTML, CSS, JavaScript, API

- Built a weather app using the OpenWeatherMap API and JavaScript to show current weather by city.

CERTIFICATIONS

- Python Basics — Coursera Certificate, 2022
